In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

New Rates of Half Pay to Officers of the Line, who shall be reduced upon the formation of a Peace Establishment, or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service; the same to commence from 25th June, 1814, with respect to Officers reduced at that date; according to the following Scale, viz.
